### **Annual release form of child's information**

We are required to obtain written consent prior to the release of your child's personally identifiable information (including name, photograph, and grade). This information is of general nature and not considered harmful or an invasion of privacy. If information is released, it will allow Vanderburg Preschool permission of publication to the following:

- Crafts, artwork displays, newsletters, class rosters, awards
- Annual end of year books;
- Photo and caption on school webpage, or social media;
- Graduation, school programs and activities;
- Please note that group photos not subject to this policy;

---

Please check only one line:

I give permission and understand my child's information (including name photograph, and grade) can be used in school – related materials.

**Do not release my child's information.** I understand that, by checking this box, my child's information will not be released or used in any school programs, awards or recognition activities, class rosters or special publication or activities.
