Important Notes

Thank you for your help with our beef jerky fundraiser! We still have quite a few packs of spicy jerky in the office, so if there is anyone else who might be interested... please ask them and let us know when you are ready to take some home.

I am so impressed with how well our friends are writing their names. You may have noticed the new practice pages in your child's H.O.O.T. binder. We are using these with dry erase markers to practice our names. I plan to add more as we get closer to summer. If your child likes to play school at home, they are welcome to practice anytime. If you have any questions about these pages, or anything else at any time, please let me know. I'm just Dojo message away.
